

Notes about old Stone
Bldg 1st So Main -
North West Corner Heber Utah

Builder: It is supposed that
old "Lish" Averett did the
masonry. He was the best
builder (mason) in Heber Valley
in those days. (Not likely says
RR Green - because stones are rough cut)

Owners: It is believed that
Geo. M. Giles (farmer, freighter
for Hatch's store) was the first
owner. He had barns out
west of the house & fruit
peddlers from Provo to Park
City used to stay here overnight.
There were 2 pine trees in front
of the home. The whole family gathered
there. - said Althora Murdoch Sackett.
